Blatt 1

The main map displays a detailed land use plan for a coastal area. The land is divided into numerous parcels, many of which are colored green or yellow, indicating different land use designations. Various labels are scattered across the map, including 'Glf', 'Gf', 'Gf-Re', and 'Gf-Re-Re', which likely refer to specific land use codes or zones. The map also shows a network of roads and a coastline on the right side. A small inset map in the top left corner provides a broader geographical context, showing the location of the main map area within a larger region. The map is oriented with North at the top, as indicated by a north arrow in the top left corner.
